JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

ease into such county, city, township, or district, or the removal of any such animal from out of or from one place to another within such county, city, township, or district without inspection and a written permit signed by such board or its duly constituted agent or representative; and said board shall cause public notice of such quarantine and prohibition to be posted in five or more conspicuous places within such county, city, township, or district and published in one or more newspapers circulating therein. Said board shall have authority to cooperate with the Bureau of Animal Industry of the United States in any measures deemed necessary to eradicate or prevent the spread of any such contagious or infectious disease.

2. Section 6 of the act to which this is an amendment is hereby amended to read as follows:

6. That when any county, city, township, district, animal, or herd of animals is quarantined pursuant to the provisions of this act and public notice thereof is given as herein provided, it shall not be lawful for any owner, keeper, or other person to drive or transport, or to permit to be driven or transported, into, out of, or from one place to another within such county, city, township, district, or place of quarantine any animal of the kind named in such quarantine, or to visit any animal or herd of animals so quarantined without a written permit signed by such board of health or its duly constituted agent or representative. Any person or persons violating the provisions of this section shall be deemed and adjudged guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than \$200 or by imprisonment not exceeding one year, or both, at the discretion of the court.

Domestic Animals—Scientific Investigations Authorized Under Authority of State Board of Health. (Chap. 160, Act Apr. 6, 1915.)

1. Section 17 of the act entitled "An act for the prevention of cruelty to animals," approved March 11, 1880, being Chapter CLVII of the laws of 1880, be and the same hereby is amended so as to read as follows:

17. Nothing in this act contained shall be construed to prohibit or interfere with any properly conducted scientific experiments or investigations, which experiments or investigations shall be performed only under the authority of the board of health of the State of New Jersey, the said board of health being hereby granted power to authorize the conduct of such experiments or investigations by agricultural stations and schools maintained by the State or Federal Government, medical societies, universities, colleges and philanthropic institutions having among their corporate purposes investigation into the causes, nature, and mode of prevention and cure of diseases in men or animals, incorporated or authorized to do business in this State; and to revoke for cause the authority so granted; nor shall the same be construed to prohibit or interfere with the killing or disposing of any animal or creature by virtue of the order of any of the constituted authorities of this State.

2. All acts or parts of acts inconsistent with this act be and they hereby are repealed.

Children's Boarding Houses—Licensing and Regulation by Local Authorities. (Chap. 209, Act Apr. 8, 1915.)

1. In all incorporated municipalities of the State having a board of health or other body possessing similar powers or functions, it shall be lawful for such board of health or other body to pass and enforce such ordinance or ordinances as to said board or other body may seem meet, for the purpose of licensing and regulating the manner of keeping boarding houses for infants and children within such municipalities, and fixing a license fee for the same, and preventing unlicensed persons or corporations from keeping such boarding houses for infants and children: *Provided, however, That this act shall not apply to the State board of children's guardians or to any children's home or orphan asylum or children's aid society incorporated under the laws of this*

State, or to any aid societies of properly organized and accredited churches and fraternal societies organized for aid and relief to their members, or to any charitable society incorporated under the laws of New Jersey having as one of their objects the prevention of cruelty to children or the care and protection of children.

2. All such boards of health or similar bodies are hereby empowered, for the purpose of enforcing such ordinances, to provide a penalty for the violation of the provision thereof, not exceeding \$50, to be enforced in any court in any such municipality having the jurisdiction and power to enforce municipal ordinances and penalties incurred by any person for violation thereof.

Pasteurization of Milk and Cream—State Board of Health to Regulate and License Establishments. (Chap. 285, Act Apr. 13, 1915.)

1. No person, firm or corporation, producing, buying, or receiving milk or cream for the purpose of selling the same shall sell or offer for sale as pasteurized milk or cream any milk or cream unless it has been pasteurized in accordance with the rules and regulations adopted by the board of health of the State of New Jersey under authority contained in section 2 of this act. No person, firm, or corporation shall operate or conduct an establishment for the pasteurization of milk or cream until a license shall first have been granted by the board of health of the State of New Jersey to such person, firm, or corporation, authorizing such person, firm, or corporation to engage in the business of pasteurizing milk or cream at a place designated in said license. Said license shall be granted by said board under such rules and regulations as the said board may from time to time adopt.

2. The board of health of the State of New Jersey shall have the power to adopt, promulgate, and enforce rules and regulations regarding the pasteurization of milk and cream, and said board may fix the temperature at which such milk and cream shall be pasteurized, and the time at which such milk or cream shall be held at such temperature.

3. After milk, cream, or other milk products have been pasteurized they shall be immediately cooled and kept at a temperature of 59° F. or below until distributed or sold. Any person, firm, or corporation who shall violate any of the provisions of this act or who shall disobey any rule or regulation adopted by the board of health of the State of New Jersey, under authority contained in this act, shall be liable to a penalty of \$50 for each offense, to be recovered in an action of debt by the board of health of the State of New Jersey, said penalty when recovered to be paid into the treasury of this State.

Meat and Meat Products—Use of Preservatives from Which Sulphur Dioxide Can Be Liberated Prohibited. (Chap. 74, Act Mar. 24, 1915.)

1. No person shall distribute or sell, or have in his possession with intent to distribute or sell, any meat or meat product to which any sodium sulphite, sodium bisulphite, or any drug, chemical, chemical compound, or preservative, from which sulphur dioxide can be liberated, has been added thereto or mixed therewith.

2. Every person who shall violate any of the provisions of this act shall be liable to a penalty of \$50 for the first offense and to a penalty of \$100 for the second and each subsequent offense. Payment of a penalty for any alleged violation of this act either before or after the institution of proceedings for the collection thereof, shall, for the purposes of this act, be deemed equivalent to a conviction of the violation for which such penalty was claimed.

3. This act shall be enforced by the same boards and in the same manner as the act to which this act is a supplement, and all penalties incurred under this act shall be sued for and recovered by the same boards and in the same manner as penalties incurred under provisions of the act to which this act is a supplement.
